

ITALIAN and GREEK food..... at your home

Let me introduce myself.

My name is Rosella Novelli and I was born in Rome where I grew up lived for most of my life.

I have always loved cooking and above all everything that is traditional Italian cuisine. I also lived in Greece for a few years where I developed a passion for Greek cuisine.

My cuisine only includes homemade dishes both Italian and Greek. In addition to homemade Greek dishes, I offer you traditional pasta based meals - tagliatelle, lasagne, ravioli, gnocchi, orecchiette etc. I also specialise in homemade cheeses for example; mozzarella, ricotta, caciotta, scamorza and stracchino and if you want sausages then these are homemade as well.

Also, the fresh vegetables prepared for your table come straight from my garden (dependent on season).

I have prepared some menu examples along with prices to give you an idea of what is on offer.
